PROFILE

I am a qualified and professional web developer with 2 years of experience in Python coding language and frameworks knowledge. Problem-solving and critical-thinking abilities.

SKILLS

- Python programming
- Django web framework
- HTML, CSS, and JavaScript
- Database: SQL
- Libraries:Numpy ,Pandas, Matplotlib
- Machine learning
- Code review and documentation
- Project Management Tools
- Strong Communication

EXPERIENCE

DJANGO DEVELOPER

Teal India

07/2022 – Present

VIEW MODULE

- Developed a dynamic Food View Module that allows users to browse, search, and filter food items based on categories, ingredients, dietary preferences, and other criteria.
- Designed and implemented an intuitive user interface using Django templates and Bootstrap, ensuring a responsive and user-friendly experience across devices.
- Integrated a robust search functionality with advanced filtering options, enabling users to quickly find specific dishes or ingredients.
- Implemented user authentication and authorization features, allowing users to create accounts, save favorite recipes, and manage personal food preferences securely.

EDUCATION

BACHELOR OF ENGINEERING
70%

KLS VDIT HALIYAL

2018 - 2021

DIPLOMA IN MECHANICAL ENGINEERING 73%

SUCP DANDELI

2015 - 2018

TECHNOLOGIES USED

- **Frameworks**: Django, Django REST Framework
- **Database**: Oracle sql
- **Front-End**: Bootstrap, html, CSS
- **Version Control:** Git, GitHub

IMPACT:

- Improved user engagement by delivering a feature-rich and interactive module, leading to increased time spent on the platform.
- Enhanced user satisfaction through the implementation of personalized food recommendations and dietary filters.

INTERNSHIPS

NETZWERK ACADEMY (BANGALORE)   05/2023

- Done with the projects based on Python, Machine learning.
- Learnt skills like with Python, Machine learning.
- learnt machine learning algorithms and how it works

CERTIFICATIONS

- Django Developer Certificate (DDC)   06/2023
  Django Software Foundation

- Data Analysis with Python course with   05/2023
Hands-on from Network Academy an ISO certified institute
